## DAY 2- TOUR 1

Well rested, after breakfast, we go to the high plateau of Lassithi. A great exit on serpentine roads and curves without end. At a small mountain church, we take a little break to enjoy the fantastic view. The Lassithi Plateau is a must-visit for every Cretan traveler. On the way back, we drive over Mochlos, with its typical Greek marketplace, where we can enjoy very good Cretan cuisine in an original Greek tavern.

## DAY 3 - TOUR 2

After a restful night and a hearty breakfast, we leave at 10.00 clock at the hotel. Via Heraklion, we drive into the high mountains via Anogia to the Nida Plateau. With good visibility, we take the driveway to an observatory and shoot incredible holiday pictures. Continue on a fantastic off-road tour to Zaros on the lake, where you can't get fish fresher. Delicious!

## DAY 4 - TOUR 3

After breakfast, we leave for the south of Crete. Across the island, we drive along the Messaraebene and through the gorge of Tripti (tip) to a beautiful beach. From here we drive to Masala, one of the most spiritual places of Crete. Matala is a small fishing village that has not lost its unmistakable charm to this day. Here we have the opportunity to visit the world-famous caves of Matala. In these caves, the ancient Cretans buried their dead. In the mid-sixties, Hippies recognised these caves and lived there until the 1970s. You will love Matala. Great beach, please do not forget your swimming clothes.

## DAY 5 - FREE DISPOSAL

Tour-free day. Anyone who wants can explore the island by motorbike on their own. Gladly ask the tour guide tips for trip advise!

## DAY 6 - TOUR 4

Today we drive first to Agios Nikolaos. In the beautiful port of Agios, we take our first break. Continue on the northern coastal road. At the narrowest point of Crete, we cross the island to the south side. In Koutsouras we have the opportunity to refresh ourselves with a small snack. From here we continue in the direction of Sitia and start the return journey on the North Coast Road.

## DAY 7 - TOUR 5

Today we go to the south again. We drive via Lassithi to the south side of Crete, via a super-serpentine descent to the small village of Tsoutsouros. From here, continue on the coastal road to Keratokambos. Little tourism, long sandy beaches, and very good food. Here we can get fit on the beach or in the sea for the trip home the next day.
